

**TOWN OF MIDDLETOWN, DE
RESOLUTION**

A resolution limiting net metering services to customer generators consistent with limits established under 26 Del. C. §1014(e)(7).

WHEREAS, the Town of Middletown desires to maintain provisions for safety, technical, and performance standards for electric utility customer generators for the benefit of all users; and

WHEREAS, the Town of Middletown consistent with 26 Del. C. §1014(e)(7) will limit new customer generation and will limit expansion or addition to existing customer generation; and

BE IT RESOLVED, that the Town of Middletown will amend Section 9(m) of the "Rules and Regulations, Including the Electric Tariff" for the Town of Middletown to delete the following paragraph:

"If the total generating capacity of all customer-generation using net metering systems served by the Town exceeds one percent of the capacity necessary to meet the Town's aggregated customer monthly peak demand for a particular calendar year, the electric utility may elect not to provide net metering services to any additional customer-generators."

BE IT FURTHER RESOLVED that the above deleted paragraph of Section 9(m) shall be replaced with the following paragraphs:

If the total generating capacity of all customer-generation using net metering systems served by the Town exceeds five percent of the capacity necessary to meet the Town's aggregated customer monthly peak demand for a particular calendar year, the electric utility may elect not to provide new net metering service benefits of credits and payments to any new or additional customer-generators.

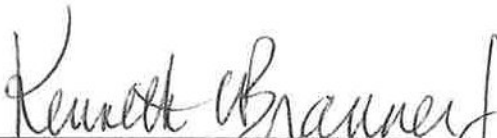

If the total generating capacity of all customer-generation using net metering systems served by the Town exceeds five percent of the capacity necessary to meet the Town's aggregated customer monthly peak demand for a particular calendar year, the electric utility may elect not to provide additional net metering

service benefits of credits or payments to new generation of existing customers and may limit net metering service benefits of credits and payments to existing generating customers at benefits existing before additional customer generator systems are installed.

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED, that the Town of Middletown will amend Section 9 (m) of the "Rules and Regulations, Including the Electric Tariff" for the Town of Middletown shall be changed.

ADOPTED, this 13TH day of March, 2017, by the Town Council of Middletown, in lawful session duly assembled.

Town of Middletown

Kenneth L. Branner, Jr., Mayor
